Personal News

Our joy, Farah, turned 4 years last November. She keeps asking questions, about everything. She is a real blessing to us from our Heavenly father.

We praise the Lord for what He has done in our life as a family. We knew how to enjoy His blessings for us and we pray that you will also. We love you all

The first and second Intifada started in the years 1987 and 2000. Unfortunately, thousands of people were killed and hundreds of thousands were wounded in the Land our Lord chose to live in. Well, **The third Intifada** has just started December 2006.

It is real. It is massive. It is wide and it is causing people to know the Lord Jesus Christ personally and acknowledging Him as the promised **Messiah.**

The word **Intifada** means **upraising or to shake or awakening** and that is exactly our goal for this season. We want the message of the gospel to shake peoples' hearts and cause them to repent and return to the Lord with all their hearts and confess that Jesus Christ is the Son of God, the Truth and the Light All of this is happening now because of Jesus is the feast campaign 2006 - **The third Intifada.**

The campaign started by putting over 50 billboards all over Israel and for the first time the West Bank saying: Jesus Christ is the feast. The sign includes a toll free number and our

Two huge signs were displayed in the city of Hebron and if you know what that means, the city, which has over a million Muslims reside in, is considered the home town of Islamic militant groups. We were surprised to receive hundreds of requests from there. **In addition,** we put 70,000 inserts in a weekly newspaper and a

Over 40 churches have been recruited to work along side with us to visit all who requested the gifts and share the gospel with them face to face.

Please pray for an effective and lasting fruit as we see the Lord establishing His kingdom in the hearts of the people in this land.

A New church is planted in Upper Nazareth

The beginning was on May 2004, by training a group of young men and women on Evangelism and discipleship. later we did a training on apologetics and from there we started meeting on a weekly basis. The Lord blessed our ministry together and we saw many people coming to Him. There was a

need to form a church in Upper Nazareth so We started last November by baptizing 5 members (see the picture) in the Jordan river. We have a vision to reach the entire Galilee and from there to the whole land. **We need your prayers so we can proclaim the gospel to the people around according to act 1:8**
